Monday 20<sup>th</sup> April 2020

Dear Parents

I hope you all had a lovely and relaxing Easter break.

School has reopened again today for key worker children. School still feels so strange without everyone together – both children and staff. I cannot imagine how it feels for all of you and your children too. Even though we are apart, your families are still in our prayers and our hearts. Never forget that!

Staff will be working on a three week rota over the coming weeks.

I have asked teachers to make telephone contact with the children in their class over the coming weeks. Please expect a telephone call at some point during the week that your child's class teacher is in school. This may mean that some children will receive a call in a different week to their sibling.

The teachers are split into the following rotating teams:

Team A (w/b 20<sup>th</sup> April) – Miss Coleman, Mrs Vincenti-Morrison and Mrs Mather

Team B (w/b 27<sup>th</sup> April) – Mrs Davies, Mrs Newham and Mrs Cooper

Team C (w/b 4<sup>th</sup> May) – Mrs Briscoe, Mrs Hurley, Mr Shields and Miss Marron

Mrs Schofield will be in school every Tuesday making contact with various families.

I will be sending you another parentmail after this one with a message for you and your child/children from their class teacher, please share it with them.

Please continue to telephone the school office about any queries you may have. Please also email photos of your children to [admin@clitherow.herts.sch.uk](mailto:admin@clitherow.herts.sch.uk) and we will tweet them to share with our whole school community. It can just be fun that they are having, it does not need to be learning! Our twitter feed can be seen on the front page of the website and on each class page.

We have updated the class pages on our website with further sites and activities for home learning. Please remember, there is no expectation for you to do any of the work or activities suggested, they are just there as a prompt. As I said in a letter sent towards the end of March, you are, and always have been, your child's primary educator. If you decide that your child isn't going to engage with anything on our website and is going to spend the entire period playing in the dirt, or baking, or watching TV, then that is your choice. That is your right. There is nothing to stress or feel guilty about!

Stay safe
