

**Youth Leadership Team  
Meeting 14 January 2020**

**Agenda**

- **Prayer**
- **School Lunch Feedback**
- **Playtime Equipment**

Dear Lord Jesus

Help us to be responsible members of our school community. Help us to represent our class well and listen to the views of others. Help us to make our school an even better place.

Amen

Year 3	Year 4	Year 5	Year 6
Ela	Eugene	Thomas	Carys
Kodiri	Gareth	Jessica	Laura
Olivia	Kelsey	Darcie	Trystan

**Team Members**

**Environment** Carys, Olivia, Eugene, Jessica

**Learning** Trystan, Kodiri, Gareth, Thomas

**Fundraising** Laura, Ela, Kelsey, Darcie

We discussed the recent meeting with Herts Catering Ltd. We were very pleased to have the chance to speak to the managers and to talk to them about our menu and how to make lunchtime better for us. Mrs. Briscoe asked us to give some feedback about how things are going and whether any of the changes we had discussed have made a difference. We think that things are improving. The amount of "seconds" available has improved and the lunches are a bit more substantial. We are enjoying an increase in the number of sauces available and think they are making the lunches tastier. We would like some mayonnaise. We still feel there are not many pudding choices and some of the fruit we talked about hasn't been available yet. We would like to say thank you to the visitors for coming and thank you to Miss Puccio for arranging it for us.

We went on to discuss playground equipment. We still feel there is a need for more equipment in the junior playground. Before we order more equipment we are going to tidy and sort the equipment and carry out an audit. We will then talk to the children in our classes to ask them what they would like. We will talk to the whole school in Assembly to emphasise the importance of looking after the equipment. If necessary we will run another cake sale to try to raise more funds. We cannot make a decision on this until the audit has been completed.

We decided the audit will take place this Friday (17<sup>th</sup> January) as that is a shared equipment day so no one class will feel they are missing out.

### **Important dates**

Next meeting Tuesday 28<sup>th</sup> January

Assembly presentation Thursday 30<sup>th</sup> January
