The new team met today. We talked about our role in school and organised ourselves into teams. We will meet next week to talk about some projects we would like to move forward on. We will talk to our classes to think about what our priorities should be. We discussed the best place for our photographs to be so that everyone knows who we are. It was decided that Mrs. Briscoe would try to find somewhere in a central area.

We talked about the best time to meet and it was decided that lunchtime was not best because we liked to get outside. We decided our next meeting will be on 19th November at 1.15 in the library.
