Document Date: Autumn 2024
Ratification at FGB: Autumn 2024
Review Date: Autumn 2025

Pupils in St Margaret Clitherow Catholic Primary School are happy, confident and very proud of their school. They clearly understand their mission statement, 'Jesus lives in us, our families, our school, our church, our world. Jesus is our guide, let us follow Him.' They can quote scripture to give examples of how they do their best to follow Jesus every day. Pupils explain that if they ever feel worried about something they are confident that adults will help them in a discreet and caring way. They are fully aware of their responsibilities towards the more vulnerable members of society and can reference Catholic social teaching when discussing their work with the local foodbank.

Catholic Schools Inspectorate October 2024

Pupils enjoy school. They respond well to the high expectations of staff. Pupils strive to do their best and achieve well. Pupils are extremely kind and caring. They frequently give up their free time to help each other. Lessons are free from disruption and lunchtimes are a buzz of happy and harmonious play.

At St Margaret Clitherow School we are committed to Safeguarding Children

Jesus lives in us, our families, our school, our Church, our world. Jesus is our guide, let us follow Him

Introduction and Background

St. Margaret Clitherow School recognises that positive behaviour and good attendance are essential in order for pupils to get the most of their school experience, including their attainment, wellbeing and wider life chances.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly, on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "[Working together to improve school attendance](#)" and it includes a National Framework in relation to absence and the use of legal sanctions. Our School Attendance Policy reflects the requirements and principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:

- promote children's welfare and safeguarding.
- ensure every pupil has access to the full-time education to which they are entitled.
- ensure that pupils succeed whilst at school.
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school.

It has been developed in consultation with school governors and the Local Authority. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the school's commitment to attendance being everyone's responsibility. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education, which emphasises the importance of understanding the potential vulnerabilities of children who are missing or absent from education.

<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure, and valued.
- Raising and maintaining a whole school awareness of the importance of good attendance and punctuality.
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable.

It is a rule of this school that pupils must attend every day, unless there are exceptional circumstances, and it is the headteacher, not the parent, who can authorise the absence.

Promoting Regular Attendance

At St. Margaret Clitherow School, we believe in developing good patterns of attendance and set high expectations for the attendance and punctuality for all our pupils from the outset. It is a central part of our school's vision, values, ethos and day to day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing.

Helping to create a pattern of regular attendance is the responsibility of parents, pupils and all members of school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools.
- Build strong relationships and work jointly with families.
- Give parents/carers details on attendance in our newsletters.
- Promote the benefits of high attendance.
- Accurately complete admission and, with the exception of schools where all pupils are boarders, attendance registers and have effective day to day processes in place to follow-up absence as required by law.
- Celebrate excellent attendance by reporting individual and class achievements.
- Report to parents/carers regularly on their child's attendance and the impact on their progress.
- Contact parents/carers should their child's attendance fall below the school's target for attendance.

Understanding Types of Absence

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

Every half-day absence from school has to be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness (although you may be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

Unauthorised absence includes, (however this list is not exhaustive):

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn.
- absences which have never been properly explained.
- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however, is counted as an absence for the session.
- shopping trips.

- looking after other children or children accompanying siblings or parents to medical appointments.
- their own or family birthdays.
- holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends.
- day trips.
- other leave of absence in term time which has not been agreed.

Persistent Absenteeism (PA) and Severe Absenteeism (SA)

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence.

Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this. All pupils who have attendance levels of 90% or below are considered to be a persistent absentee.

A pupil who has missed 50% or more schooling is defined by the Government as '**severely absent**'.

Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Absence Procedures

We monitor and review all pupils' absence, and the reasons that are given, thoroughly.

If a child is absent from school the parent must follow these procedures:

- Contact the school on the first day of absence by 8:45am.
- The school has an answer phone available to leave a message if nobody is available to take your call, or you may call into school personally and speak to the office staff. Please be aware that, if you leave a voicemail to report your child's absence, you may receive a call from the school so that we may discuss the absence before making a decision as to whether the absence is to be recorded as authorised.
- Contact the school on every further day of absence, again by 8:45am.
- Ensure that your child returns to school as soon as possible and you provide any medical evidence, if requested, to support the absence. Medical evidence may be requested (*where school have reasonable doubt as to the authenticity of the absences*) where your child is having multiple periods of absence which are reported as being due to medical reasons. When determining whether a child is too ill to attend school, both parents and school staff can consider the advice contained within the NHS Guidance on School Absence and Childhood Illness see Annex C.

If your child is absent, we will:

- Telephone on the first, and every subsequent day of absence, if we have not heard from you. However, it is your responsibility to contact us.
- If we are unable to make contact with parents by telephone, we will telephone emergency contact numbers, send texts and a home visit may be made, in the interests of safeguarding.
- The Local Authority will be informed if no contact has been made with parent/carers by the 10th day of absence (or sooner if deemed appropriate) as The School Attendance (Pupil Registration) (England) Regulations 2024 Section 13 requires schools to inform the local authority of any pupils absent from school and where absences amount to more than 10 or more **days**, either consecutively or

irregularly and have been unauthorised. This means school will have unauthorised 20 am/pm sessions of absences. Schools are also under a safeguarding duty, under **section 175 of the Education Act 2002** to investigate any unexplained/unauthorised absences. At this point your child will be considered to be “absent from education”.

If absence continues, we will:

- Write to you if your child’s attendance is below 96%, and/or where punctuality is a concern.
- Arrange a meeting so that you may discuss the situation with our Headteacher
- Consider and offer reasonable adjustments.
- Offer a Families First Assessment to ensure appropriate support is considered.
- Create a personalised robust support plan, such as an attendance contract, to address any barriers to attendance and make clear each person’s role in improving the attendance patterns of your child.
- Offer signposting support to other agencies or services, if appropriate.
- Seek advice, guidance and support from the Local Authority Statutory Attendance Support Team and consider appropriate legal sanctions, if attendance deteriorates following the above actions.

Lateness

Poor punctuality is not acceptable and can sometimes lead to irregular school attendance patterns. Good timekeeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher. The times of the start and close of the school day for all pupils at St. Margaret Clitherow School are:

Registration starts: 8.45am

Registration closes: 9.00am

End of the school day: 3.15pm (Nursery – Year 2) and 3:20pm (Year 3 – Year 6)

How we manage lateness:

- The school day starts at *8.45am* when children can begin to come into school;
- Registers are taken between 8:45am and 9am;
- Children arriving after *9.00am* are required to come into school via the school office. They must be accompanied by a parent/carer and they must sign them in and provide a reason for their lateness, which is recorded;
- At 9.20am the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site – ‘U’, but this will not count as a present mark and it will mean that they have an unauthorised absence;
- The school may contact parents/carers regarding punctuality concerns;

If your child has a persistent lateness record, you may be asked to meet with the headteacher, but you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and, as a school, we celebrate good class and individual punctuality. Unauthorised lateness could result in the school seeking advice and guidance from the Local Authority.

Understanding barriers to attendance

Whilst any child may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Any barriers preventing regular attendance are best resolved between the school, the parents, and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can consider a Families First Assessment, use outside agencies to help with this, such as the School Nurse, Mental Health and Emotional Wellbeing support services, a Family Support Worker, or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Family meeting (TAF) to consider what is working well and what needs to improve. An individual support plan will be agreed and subsequently reviewed.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities. High expectations of attendance remain in place for these pupils; however, we will work with families and pupils to support improved attendance whilst being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners, where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all pupils who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See Annex A for DfE summary tables of responsibilities for school attendance.

Local Authority Attendance Support Team

Local Authority Attendance Support Specialists work strategically by offering support to schools, to reduce persistent absence and improve overall attendance.

Parents/Carers are expected to work with the school and local authority to address any attendance concerns. Parent/Carers should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, legal action may be taken which may be in the form of a Penalty Notice (see Annex B for the Hertfordshire Code of Conduct) or other legal options available to the Local Authority such as prosecution in the Magistrates Court.

School Attendance and the Law

New legislation was passed, The School Attendance (Pupil Registration) (England) Regulations 2024 which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parent/Carers have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parent/Carers may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their

biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10-school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three-year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent/carer may receive a fine of up to £2500 and/or up to 3 months in prison. If a parent/carer is found guilty in court, they will receive a criminal conviction.

See Annex B for the Hertfordshire Code of Conduct.

There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school."

The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. **The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have any discretion to authorise up to ten days of absence each academic year.**

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance, on the prescribed form provided by the school. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Hertfordshire Code of Conduct, in respect of each parent believed to have allowed the absence.

At St. Margaret Clitherow School 'exceptional circumstances' will be interpreted as: The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time, regardless of who has planned or paid for the holiday or absence (including grandparents or other family or friends).

The headteacher/school may discuss the leave of absence request with other education settings and/or the Local Authority to determine any exceptional circumstances.

If leave of absence is authorised, the school will not provide work for children to do during their absence. Parent/Carers are however advised to read with their children and encourage them to write a diary while they are away.

Deletion from Roll

For any pupil leaving St. Margaret Clitherow School, other than at the end of Year 6, parents/carers are required to provide the school with the following information: Child's name, class, current address, date of leaving, new home address, name of new school, address of new school. This information is essential to ensure that we know the whereabouts and may appropriately safeguard all our pupils, even those who leave us.

It is crucial that parent/carers keep school updated with current addresses and contact details for the pupil and key family members, in case of emergency.

Under Pupil Regulations 2006, all schools are **legally required** to notify their Local Authority of **every new entry** to the admission register **within five days** of the pupil being enrolled. In addition to this, **every deletion** from the school register must also be notified to the Local Authority, as soon as the ground for deletion has been met in relation to that pupil, and in any event no later than the time at which the pupil's name is deleted from the register. This duty does not apply when a pupil's name is removed from the admission register at a standard transition point – when the pupil has completed the final year of education normally provided by that school.

Absence data

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve, and schools are required to submit pupil attendance data to the Department for Education on a daily basis Education (Information about Individual Pupils) (England) (Amendment) Regulations 2024. Persistently and severely absent pupils are tracked and monitored carefully. We also combine this with academic tracking, as increased absence affects attainment.

We share information and work collaboratively with other schools in the area, local authorities, and other partners, when absence is at risk of becoming persistent or severe.

Application for Leave of Absence from School during term time.

Dear Parent/Carer,

All schools **by law** must follow the Department for Education's statutory guidance relating to school attendance. They must use the appropriate national attendance or absence code, and follow the criteria set out within the guidance. The statutory guidance states:

- A leave of absence **must not be granted unless there are exceptional circumstances and must be requested in advance.**
- A leave of absence must be requested **in advance** by a parent who the pupil normally lives with
- Schools must judge **each application individually**, considering the specific facts and circumstances and relevant background context behind each request.
- Where a leave of absence is granted, **the school will determine the number of days a pupil can be absent from school.**
- **A need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.**
- A school **cannot** grant a leave of absence retrospectively. If the parent did not apply in advance, the leave of absence should not be granted.
- Where this guidance refers to a parent, the school and/or local authority will need to decide which adult(s) is most appropriate. Generally, parents include:
 - All natural parents, whether they are married or not.
 - All those who have parental responsibility.
 - Those who have day to day responsibility for the child.

Please note all schools are expected to regularly inform parents about their child's attendance and absence.

Taking your child out of school during term time could be detrimental to their educational progress. If the absence is not authorised and the leave is taken, schools may refer to the Local Authority for legal action. Please find attached information regarding Helping Parents understand Penalty Notice Fines for School Attendance.

Children Missing from Education (CME) Guidance (CS 4706) and Referral Form (CS 4707)

Introduction

All children, regardless of their circumstances, are entitled to an efficient, full-time education which is suitable to their age, ability, aptitude and any special educational needs they may have.

Children missing education are children of compulsory school age who are not registered pupils at a school and are not receiving suitable education otherwise than at a school. Children missing education are at significant risk of underachieving, being victims of harm, child sexual exploitation or radicalisation, and becoming NEET (not in education, employment or training) later in life.

Local authorities have a duty under section 436A of the Education Act 1996 to make arrangements to establish the identities of children in their area who are not registered pupils at a school and are not receiving suitable education otherwise. This duty only relates to children of compulsory school age*.

Arrangements made under section 436A also play an important role in fulfilling the local authority's wider safeguarding duties. This guidance does not replace any Child Protection Procedures. Existing safeguarding procedures and mechanisms for reporting and recording child protection concerns are to be observed at all times.

Department for Education guidance makes it clear that in carrying out this duty, local authorities must have in place arrangements for joint working and information sharing with other local authorities and partner agencies. It also states that all agencies which come into contact with children must cooperate with the local authority's arrangements for identifying children thought to be missing from education.

This document sets out what Hertfordshire County Council staff and school staff should do when a child believed to be missing from education comes to their attention.

Separate guidance is available for schools on Herts Grid for Learning <https://www.thegrid.org.uk/info/welfare/attendance.shtml> about the legitimate removal of pupils from a school roll. A child legitimately removed from roll is not in most cases missing from education and all schools, including academies and independent schools are legally required to notify the local authority when they remove/plan to remove a child from their roll.

*A child reaches compulsory school age on or after their fifth birthday. If they turn 5 between 1 January and 31 March, then they are of compulsory school age on 31 March; if they turn 5 between 1 April and 31 August, then they are of compulsory school age on 31 August. If they turn 5 between 1 September and 31 December, then they are of compulsory school age on 31 December. A child continues to be of compulsory school age until the last Friday of June in the school year that they reach sixteen.

Who is a Child Missing from Education?

A child is missing from education if they are of compulsory school age (age 5-16), do not have a school place and no alternative education arrangements have been made for them.

A child is not defined as missing from education if they have a school place but are not attending regularly, if they are being home educated, if they attend alternative provision such as a college or Education Support Centre or they are receiving a suitable education otherwise than the above and/or at school

These vulnerable groups include:

- looked after children.
- children living in women's refuges.
- young runaways
- children of homeless families, perhaps living in temporary accommodation
- children with long term medical or emotional problems
- unaccompanied asylum seekers
- children of refugees or asylum-seeking families
- children in new immigrant families not yet established in the UK.
- children from a Gypsy, Roma or Traveller background
- children who are privately fostered
- young carers
- children from transient families
- teenage mothers
- young offenders
- children permanently excluded from school.

Children missing from education are at greater risk of:

- physical harm
- sexual exploitation
- becoming involved in crime.
- demonstrating anti-social behaviour
- abusing drugs and alcohol
- being illegally employed
- radicalisation

It is vital therefore that the authority, schools and other agencies work closely together to help safeguard children who may be missing from education.

Role of the Children Missing Education Officer (CMEO)

The Children Missing Education Officer (CMEO) is part of Children's Services, Statutory Attendance & Participation Team and is responsible for receiving all CME referrals. The CME Officer keeps a record of all children reported as missing from education. Children are tracked until they return to suitable education.

Examples of the work undertaken by the CME Officer include:

- making enquiries of parents as to the educational arrangements they are making for their child.

- ensuring parents make applications for school places.
- making follow up enquiries with schools, teams and agencies within the local authority.
- making visits to the last known address
- liaising with other local authorities and schools
- asking for follow up from the police and Border Force as appropriate.
- issuing School Attendance orders on behalf of the local authority
- adding information to the School2School secure data system

If the child is missing from education, the CME Officer will ensure the details are passed to the appropriate team to secure suitable education. All children missing from education will be monitored by the CME Officer until such time as suitable provision is made.

Referral process for children believed to be missing from education.

The referral procedure for children believed to be missing from education should be followed by all Hertfordshire County Council staff and all schools and partner agencies if a child they believe to be missing from education comes to their attention.

Anyone who believes a child may be missing from education can contact the CME Officers for advice as follows:

Jacqui Ellis - CME Officer – West area – covering Watford & Three Rivers, St Albans & Dacorum, Hertsmere

Wendy Hasler – CME Officer – East area – covering East Herts & Broxbourne, Stevenage & North Herts, Welwyn & Hatfield

To make a referral or contact the CME Officer please complete and return the attached referral form via Herts/Schools FX to – csf.cme@hertfordshire.gov.uk

Please **DO NOT** email information containing children's details via Outlook as this is not secure.

It is likely that schools receiving direct applications for admission to the school outside of the normal admissions cycle will be the first to know of children missing from education. In the event that the school is unable to offer a place, and it appears from the application that the child is not in education, a referral should be made as described above.

Following this procedure will enable the local authority to meet its statutory duties relating to the identification of children missing education, safeguarding their welfare and protecting their entitlement to education.
