## **ACCESSIBILITY PLAN** **(School Policy)**

**Ownership:** Health, Safety & Premises Committee  
**Document Date:** Spring 2024  
**Review Date:** Spring 2025

Pupils in St Margaret Clitherow Catholic Primary School are happy, confident and very proud of their school. They clearly understand their mission statement, 'Jesus lives in us, our families, our school, our church, our world. Jesus is our guide, let us follow Him.' They can quote scripture to give examples of how they do their best to follow Jesus every day. Pupils explain that if they ever feel worried about something they are confident that adults will help them in a discreet and caring way. They are fully aware of their responsibilities towards the more vulnerable members of society and can reference Catholic social teaching when discussing their work with the local foodbank.

### **Catholic Schools Inspectorate October 2024**

Pupils enjoy school. They respond well to the high expectations of staff. Pupils strive to do their best and achieve well. Pupils are extremely kind and caring. They frequently give up their free time to help each other. Lessons are free from disruption and lunchtimes are a buzz of happy and harmonious play.
